Description

Suicide

The diagram consists of a large rectangular frame. Inside the frame, there are two wavy, vertical lines. A red key is positioned between these two lines, pointing upwards. The background of the frame is green, and the entire diagram is enclosed in a black border.

The diagram illustrates a vertical stack of components, likely representing a user interface or a data structure. The stack is composed of several rectangular blocks, each with a specific label or function:

- Cal**: The top block, labeled "Cal".
- Map**: The second block, labeled "Map".
- Unit**: The third block, labeled "Unit".
- etc**: The fourth block, labeled "etc".
- etc**: The fifth block, labeled "etc".
- etc**: The sixth block, labeled "etc".
- etc**: The seventh block, labeled "etc".
- Star**: The eighth block, labeled "Star", featuring a star icon.

Below the "Star" block, there is a horizontal line with a small arrow pointing to the right, indicating a transition or a continuation of the sequence.

On the right side of the diagram, there is a large rectangular area labeled "Logo", which is currently empty, suggesting a placeholder for a logo or a large image.
